Service Project Opportunities:

Students will be expected to choose from various Service Projects according to their availability. Projects include the Anointing mass and luncheon for our senior citizens in April, as well as the Service Week in June. Each year the different groups (Conf 1 +2) will also be able to choose a special undertaking.

Service Week:

During the final week of June, all students have the opportunity to participate in a service projects to area sites and at the parish. The effort ranges from a day or two to the entire week. More information about the service projects will be discussed in class. Ordinarily we visit three different sites throughout the week for a variety of involvement. These include the House of Peace in Ipswich, The Agape Community in Ware, and the St. Francis and Theresa Catholic Worker House in Worcester.
