**Sponsoring a Refugee Family**

Thanks to a tremendous outpouring of support, we have received almost \$5000 to date and another \$600 in pledges for this effort. In addition 53 people have indicated a willingness to volunteer in some capacity to welcome a refugee family. St. Paul's and Allin Congregational Church have also received a similar groundswell of support. We are well on our way to becoming a successful welcoming community.

We are awaiting a Supreme Court decision on the status of refugees which is expected this month. After that date we will have a clearer idea of when to expect our family.

Interfaith committees are being formed to help with Pre-Arrival needs like finding an apartment, furniture, housing needs like food and utilities, and Post Arrival needs such as finding jobs, enrolling in neighborhood schools and help with learning English.

There are flyers at the back of the Church outlining the many needs we have for volunteers and financial donations going forward.

We encourage parishioners to take one and consider being part of this important work.

Father Steve

**Church Roof and Heating System**

Thanks to the generosity and support of our parishioners the project to re-shingle the rectory side of the church roof will be finished this week.

Special thanks to John Goodfellow for coordinating this project and Kavanaugh Roofing for a great job.

Having explored options for updating to a more efficient heating system for church and rectory we are about ready to commence. We may have to wait until spring to begin, but either way a much more efficient system will be operating in short order.

Thank you for your support and patience.
