

## September 8, 2025 – Helping God Draw Straight With Crooked Lines in 2025

Join us as Tom shares insights on the late Father Peter Gyve's vision for A Faith That Does Justice and how the AFTDJ is continuing his legacy of service in these challenging times to those who are marginalized by society. Tom will answer some big questions: what does AFTDJ do, who is our neighbor, and how can we truly help those in need? This is an opportunity to learn how each of us can stand up for dignity and justice, reduce polarization, and find community through faith and friendship.
